

Hello Meadow View Families!

This year we will offer two online payment options that makes it easy for your family and friends to make secure online donations.

The first option is to go through the 99Pledges website app for your student and set up a dedicated page with a link that you can forward to family and friends. For each student, you will need to add their name, an email address and select your child's grade. This option has some nice features that allow donors to send messages of support to your child, and tracks the donation progress. It has a message that provides information about the fundraiser. Donors have an optional choice to add a "tip" if they would like to, that is intended to help offset the online transaction costs (approximately 3%). To create a pledge page for your child, go to:

<https://app.99pledges.com/fund/meadowviewschool/addme>

The second option is to go directly to the Meadow View Paypal account and select Jog-a-thon. If you'd like to use this online system for jog-a-thon, please:

- Go to <https://www.meadowviewschoolpto.org/donate>

Or you can use this QR code

- Follow the instructions on the website page. Be sure to select "jog-a-thon" from the drop-down list of donation choices. Currently the webpage shows 4 choices (\$5 or \$10 or \$25 or "other"). When donors complete their donation on-line, the system emails a receipt for their donations directly to their designated email address.
- You can also share the donation link on social media! If you have questions, please contact the PTO via email at pto_meadowview@yahoo.com.

And of course, you are welcome to collect cash and check donations as well. Checks should be made payable to Meadow View PTO. Note that we will have a short turnaround as money is due at Meadow View on June 2nd.

Thank you for supporting Meadow View students!
