- The program accepts photos or scans of original cash register receipts or images from a receipt sent to you via email, text or app (best captured as a screenshot).
- Online purchases count if you order online and pick up in-store, or order in-store and ship to an address.
- Enter the total purchase amount, including sales tax and gratuity.
- If the receipt is too long to fit, fan fold your receipt so we can see the store name, location, date and purchase total before taking your photo or making a copy.
- When submitting online, you should receive a confirmation of the entry. Check your spam or junk email, and if it is not there you can email [info@shopandlog.com](mailto:info@shopandlog.com) or call at 1-800-539-3273 for assistance.
